22nd Annual Laurelwood Day May 21, 2016

We have a tradition in The Laurelwood Subdivision of celebrating the beginning of spring time with a huge party! We begin the day at 6 AM with a giant neighborhood **garage sale**. This is the time you've waited for all year to get rid of everything you don't want to keep. We advertise in the local newspaper and other media for you and since it is a tradition the people *will* come! Decide on your own when you are wrapping the garage sale up, but it is usually over by 1:00 PM at the latest. Just in time for you to get a nap before coming on down to the Laurelwood Clubhouse parking lot for the annual **Crawfish Boil** beginning at 4:00 PM

There will be inflatable jumpers, and train rides for the kids (no matter their age), and of course food and drinks for all. We will have Crawfish with corn, potatoes, and sausage, beer (for adults over 21), Soft

drinks, Grilled Hamburgers, Hot Dogs and all the fixings. The fun will include Cake Walks, and Musical Chairs, and lots of Music, played by a DJ.

The Laurelwood **pools will open at 10:00 AM**, and as always we would like to remind you that at Laurelwood pools there are **no lifeguards**. Also no children under 16 are allowed without a parent present. The rules are posted at the pools, please note that due to many complaints from residents the **pools are now smoke free areas**.

This is *your* day Laurelwood so come out and enjoy it. Unfortunately, we **Cannot accommodate guests**, and remember there are no to-go plates. This is how we keep the cost reasonable, so we can continue this beloved tradition.

Things To Do Before Laurelwood Day

With the coming of spring it is important for all residents to use this check list to be ready for the Laurelwood Day celebration:

- Mow and Edge your yard, but remember not to blow the clippings into the street to be washed into the drains.
- Paint your mailbox post and box. They are to both be black, and one can of spray paint will quickly take care of this, making a big difference!
- Replace dead shrubs with new plants. Many were lost during the draught last summer.
- Clean your gutters, and paint the trim if it is needed.

Other news you can use.....

Please welcome our newest LHOA board member Mrs. Jenny Trouard. Jenny was elected at the annual board election held on March 10, 2016, and will serve for three years. She replaces Mr. Gene Reynolds who served on the board for many years. Thank you Mr. Reynold for the countless hours you have spent serving the LHOA!

Board Members

Scott Montgomery - President
Gary Evans - Vice President
Jenny Trouard - Sec/Treasurer
Lulu Intan
Brad Outlaw

Line
601-919-2005

- ▶ OPTION 1: Covenant concerns
- ▶ OPTION 2: Billing Inquires
- ▶ OPTION 3: Clubhouse rental, Pool cards, Other concerns

Repeat your name, address, and phone number, at least twice!

NEW THIS YEAR

- **No Money will be collected on Laurelwood Day. Due to safety and security, this will be the better practice.**
- **For your convenience and to decrease confusion on May 21, we are preordering the LW Day T-Shirts this year. Your t-shirt order will be billed on your next statement. You may mail the completed order form (found at www.laurelwoodofms.org) or drop it in the newly installed drop box at the clubhouse. NO NEED TO SEND MONEY (looking at the front door of the clubhouse the drop box is to the far right of the front door under the front porch). **DEADLINE TO ORDER APRIL 29, 2016!****
- **Also notice no smoking at the pools.**
