

Laurelwood

Welcome to November Laurelwood!

Thanksgiving is a holiday with a little something for everyone: quality family time, great food, a full day of football, and gratitude. The big day requires a lot of prep work, like setting the Thanksgiving dinner table and all the home's holiday decoration but all of that's worth it when you're surrounded by loved ones. However, if the holiday is already starting to grate on you, it's time to remember the reason for the season. The best Thanksgiving quotes cover a slew of emotions, from gratitude to humor at your family's quirky traditions. They'll help you reflect on what truly matters or even get a laugh if you read them aloud at the dinner table. You can use these empowering and inspiring Thanksgiving quotes many different ways. If you love an on-theme tablescape, go ahead and print them out to place at each table setting or share them in gratitude cards to your guests.

We are looking forward to the upcoming holidays and the events planned.
